

APRIL NEWSLETTER

Beginning in April ALL Thursday night games will begin at 6:00pm

Easter is April 20. The day Jesus walked out of the tomb!! He is the Savior of all sinners.

Many items are on the repair list. The HOA is working on these repairs and raising money for these repairs. Please be patient and report all concerns to our HOA board.

The next potluck will be the third Thursday of April. Come join us for fun, fellowship and a good meal. Bring a dish to share.

Our next monthly birthday party will be April 7th at 6:00pm in the clubhouse. We will have sweets, a game or two, laughs, and fellowship. And of course, a little gift for the April birthday people. This month at the birthday party we will collect donations for MEN BUILD MEN organization. They have been wonderful to donate so much of their time and labor to our neighborhood.

More and more people in the neighborhood are out walking around. When driving, please slow down and wave to your neighbors. Flowers and trees are blooming and pollen is flying to help our insects and plants. Hang in there if you have allergies.

Our neighborhood Yard Sale is Saturday, April 5 from 8am-2pm. Please drop off donations you may have to the clubhouse or call a board member if something needs to be picked up. If you know of anyone living outside of our neighborhood, please encourage them to drop off donations to us April 1-4 instead of Goodwill. If you have nothing to donate, come shop for a bargain on Saturday and tell your friends too!

We will be setting up for the Yard Sale from 9-12 on Wednesday, Thursday, and Friday. Please come help out!!! We will have some laughter and fun while setting up. Also, you can get to know your neighbors a little better too.

April 25 is a guided painting class with a local artist. You will choose a floral to paint with her guidance. The cost is \$30 which includes all of your supplies!! Money is due by April 21 so the artist will know the amount of supplies she needs to plan for. If paying by check, make it payable to Hillendale HOA. Or Venmo Kim-Turner-60. I can't wait to see the masterpieces that will be created!
